

JWS300-600-PLATE

PRODUCT DETAILS:

Our very popular JWS300 and JWS600 (300/600 watt) power supplies, now come with an optional mounting plate.

The purpose of this mounting plate is to allow ease of mounting “FRONT-ON”.

- The mounting plate comes with pre-drilled M4 counter sunk holes to take any of the JWS300-JWS600 power supplies
- Supplied with M4X6-CSK screws, allowing mounting on any flat surface.
- Easy to use....and even easier to install.
